

## CE DECLARATION OF CONFORMITY

The manufacturer: **BDF DIGITAL S.p.A.**  
Via dell'Oreficeria, 41  
36100 Vicenza - Italy

Declares under his own responsibility

that the products: **OPDEplus** (Open drive *plus* series)  
Size and type: BF1, BF2, BF3 (from 70 A to 510 A)

comply with the requirements of the following European Directives:

### **2014/35/EU Low Voltage Directive (LVD)**

The following standards (or parts \ extracts) have been applied:

EN 61800-5-1: 2007 Adjustable speed electrical power drive systems  
+ A1:2017, A11:2021 Part 5-1: Safety requirements – Electrical, thermal and energy

### **2014/30/EU Electromagnetic Compatibility (EMC)**

The following standards (or parts \ extracts) have been applied:

EN 61800-3:2004 Adjustable speed electrical power drive systems  
+ A1:2012 Part 3: EMC requirements and specific test methods

### **2011/65/EU Restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS II)**

#### **Adding notes:**

The product has been manufactured under the security low-voltage standards, taking into consideration that these characteristics can be influenced by the interaction with other elements or by a bad installation, or a set-up not in compliance with the BDF DIGITAL user manual. Only skilled people explicitly authorized from the manufacturer can adjust or make modifications on the product.
